Dear Hiring Team.

My name is Sergei, I work as a system administrator in a large energy company. My work experience is over 20 years. Media networks are my passion. I single handedly created my own media network.

I liked the clarity and openness of media streams in the SaltWire Network.

Using the result of your company's work, I realized that you have talented employees.

I use in my work the priorities of user's security and services availability. And I believe that my experience and creativity will serve your company for stable operation and profit growth.

I ask you to consider my candidacy as a System Administrator.

My resume contains only the first part of my achievements and skills, the second part I would like to share with you personally.

I really liked your city. I will be happy to bring my large family including my children to your delightful city.

In addition to all my skills of a System Administrator, I have my own media network. Here is a link to my interview: <https://www.vide.me/v?m=4908deb17f23>

Given the time difference, please let me know the time of your call. It is preferable to use to contact me: Skype: sergeykozlov.ru Whatsapp: +79109087360 or email: hello@sergeykozlov.ru.

Thank you.

Sincerely,  
Full Stack Web developer  
Sergei Kozlov.
