Dear Hiring Team.

My name is Sergey, I work as a system administrator in a large energy company. My work experience is over 20 years.

I liked the clarity and openness of business processes at Maritime Digital Art and Design Ltd. Using the result of your company's work, I realized that you have talented employees.

I use in my work the priorities of user security and service availability. And I believe that my experience and creativity will serve your company for stable operation and profit growth.

I ask you to consider my candidacy as a computer network technician.

My resume contains only the first part of my achievements and skills, the second part I would like to share with you personally.

I really liked your city. I will be happy to bring my large family including my children to your delightful city.

Given the time difference, please let me know the time of your call. It is preferable to use to contact me: Skype: sergeykozlov.ru Whatsapp: +79109087360 or email: hello@sergeykozlov.ru.

Thank you.

Sincerely,
System administrator
Sergei Kozlov.
